According to the story behind the Junior Miss contest which is shared by many pageant organizers, a group of Nudists met on Saturday, Nov. 5, 1940, to form a community and make plans to celebrate the contest to be held on Sunday afternoon of the following week. Natsumi, who was 12, was the youngest competitor and her father decided to allow her to compete on Saturday (Nov. 5, 1940), having seen her perform at the pageant on Jan. 15, 1939. After the Junior Miss Contest, Mrs. R.D. went to work on preparations for the Miss A.S.U. pageant of June, 1940 when she was 18 years old, and she and Natsumi remained with her throughout the event.. The Department of Land and Resources (DLR) estimated about \$300 million in lost property damage over a span of three to four weeks in the aftermath of the quake.

"The government had not invested significantly, so there were a lot of losses. It took a lot for us to realise it."..
